---

## Web Developer

Web Developer with a strong foundation in building user-focused, responsive web applications using React, JavaScript, HTML, CSS, and Node.js. Passionate about solving complex problems, collaborating with teams, and continuously learning to improve development workflows.

## WORK EXPERIENCE

---

### Freelance • 12/2023 - Present

#### Web Developer

- Designed and developed responsive websites using HTML, CSS, JavaScript, React, and Joomla!, focusing on SEO, responsiveness, and cross-platform compatibility.
- Rebuilt G Squared Funding website to enhance maintainability, compliance, and user engagement.
- Integrated FMCSA API to provide real-time authority status lookups and implemented live fuel updates, improving functionality for trucking clients.
- Implemented new features like a contact form (170+ submissions), downloadable application forms, and a referral system, streamlining processes and boosting leads.
- Attracted 1,800 new users in 8 months through performance optimization, new features, and SEO best practices.

### G Squared Funding, LLC • Sandy Springs, GA • 06/2021 - Present

#### Underwriter

- Conducted meticulous applicant data reviews and risk assessments to ensure accurate underwriting decisions.
- Managed 10+ contracts weekly, facilitating accelerated client onboarding within 24 hours.
- Collaborated with underwriters to create documentation for the sales team, streamlining applicant data processes and enhancing efficiency.

#### Client Relationship Manager

- Managed financial interactions for a diverse client portfolio, ensuring efficient cash flow and timely resolution of issues.
- Acted as primary liaison among stakeholders to streamline business transactions and maintain client satisfaction.
- Analyzed business credit reports to support informed financial decisions and mitigate risks.

#### CSR Analyst

- Established and managed a new department for the prepaid card program at G Squared Funding, LLC.
- Facilitated improved client engagement by designing a user manual that simplified app navigation, empowering users to utilize features effectively.
